Macomb County Sheriff Appointment Committee,

The Command Officers Association is comprised of the front line supervisors of Macomb County Sheriff's Office. We are the staff that makes our elected leader's vision statements come to a reality.

We recently held a union wide vote to determine if we wanted to endorse a candidate for this appointment process and if so whom. The result of that union vote was to endorse Sgt. David Willis. As a union of leaders, we believe David Willis will be an exceptional choice for Sheriff.

As the executive board of our union, we stand behind our members in asking that Sgt. David Willis is appointed as Sheriff.

Respectfully yours,

President Darren Bondy
