To Whom It May Concern,

The Macomb County Professional Deputies Sheriff's Association (MCPDSA) is pleased to announce the endorsement of David Willis for Interim Sheriff. The MCPDSA chose to endorse David Willis because of his willingness to communicate with unions within the Sheriff's Department, and his shared goal with the MCPDSA to make the department more efficient economically, and operationally.

The MCPDSA is the sole bargaining unit for 160 Corrections Deputies assigned inside the county jail. This unique perspective allows us to observe the operational administration of the Sheriff's Department on a day-to-day basis. Accordingly, it is our conclusion that David Willis best represents not only our interests inside the department, but most importantly, the citizens of Macomb County.

We are proud to announce our support for David Willis for Interim Sheriff.

Sincerely,

Brian Schrier, President
